<https://www.shamalipolymats.in/>

We, Shamali Polymats, are a significant name engaged in manufacturing, supplying and exporting a wide collection of Plastic Mats and plastics rugs.pp mats,pp floor mats Matting Rolls.etc. This range is designed to be used at homes,picnic,praying etc.

About Us

Established in the year 1999, we, “**Shamali Polymats,**” are widely relished for manufacturing, supplying and exporting a comprehensive collection of **Plastic Mats and Matting Rolls**. Our organization work with core values such as quality, customer satisfaction, leadership, integrity, people. We manufacture all our products by making use of high-grade basic material, procured from the accredited vendors of the industry. Our range is best-in-class in terms of quality and widely appreciated for its high tearing strength, resistance against abrasion, smooth finish and lightweight. We offer this range in different color combinations, designs and sizes to meet divergent demands of the clients. Along with this, we offer tailor made solutions as per the clients requirements.

We are driven by a team of qualified and experienced professionals. Our experts hold expertise over their respective domain which make them to develop products with impeccable quality. They conduct market surveys to comprehend emerging market demands and then precisely design products accordingly. All the business related activities are being executed with the support of managers and administrators in a result deriving manner. We have a sound infrastructure setup at Jalgaon (**Maharashtra, India**). Our setup is segregated in different units such as production, quality testing, warehouse and administration. This systematic segregation fosters us to execute entire...
